

MEMBER AND CUSTOMER INFORMATION

Re: Notification of Price Increases from 1st April 2022

Please find details of new pay as you go prices coming into effect from 1st April 2022.

We have applied price increases to the pay as you go activities as fairly as possible due to rising inflation, utility & operational costs nationally.

We have been so grateful for the community support we have received. Whilst we recognise the effect of rising national inflation costs to households and businesses, we want to say thank you for your continued support. In light of such adversity,

WE ARE PLEASED TO SAY THAT WE ARE CONTINUING TO HOLD OUR CURRENT MEMBERSHIP PRICES UNTIL FURTHER NOTICE.

We are committed to ensuring YMCA health and fitness remains competitive and provides value for money options for you and your family's active lifestyle.

If you have any questions regarding pricing please ask a member of the team.

In what has been a difficult year for all, once again we thank you for your continued support.

Pay As You Go and Discounted Pay As You Go Prices.

YMCA Fylde Coast members qualify for discounted entry prices where the activity is not included free in their membership package and as long as the activity takes place in the membership package time band.
